

Every Doctor, Every Setting: A National Framework

Guiding coordinated action on the mental health of doctors and medical students.

I/We support the EDES Framework and am committed to improving the mental health and wellbeing of doctors and medical students by implementing the vision, guiding principles and pillars for coordinated action including:

- Improve training and work environments to reduce risk
- Improve capacity to recognise and respond to those needing support
- Improve response to doctors and medical students impacted by mental ill-health and suicidal behaviour
- Improve the culture of the medical profession to increase wellbeing
- Improve coordinated action and accountability.
